(j) These papers relate to the vesting of grounds within the fort at Mysore in the Garden Dept.

(ii) The Chairman of T.B. suggests that these may be vested exclusively in the Garden Dept. being dealt with on comprehensive lines.

The question of cost of maintenance has to be considered i.e. whether the municipality should not be saddled with the cost or the cost alone should lie on entire cost of maintenance.

(k) On 3rd July 1919, Hagan Secretary has wrote to Govt to the effect that the Palace will take over charge of the Garden in front of the North Fort gate of the Palace when the whole fort has been laid out according to Plan. (vide Flag H in the 5 papers)

(l) In view of the fact that the whole question of laying out is to be treated completely now, in view of the intention expressed in Flag H, the Hagan Secy may perhaps be R. O. consulted before issuing final orders

To

The Secretary,
to the Government of His Highness the Maharaja of
Mysore, Local & Legislative Departments.

DA Sir, 27/24 27/3

Mr 1441 - 25 - 1

I have the honor to state that the area within the Fort at Mysore has been cleared practically of all private houses which had been notified for acquisition. The grounds including the roads have been in-charge of the Garden Department, and a portion has already been laid out and is being maintained by them at a cost of Rs.113 per month, besides other contingent charges, as sanctioned in Government order No.G.12,384-6/G.M.5-19-4 dated 26th November 1919. In order to supplement the staff of the Garden Department, a small establishment of 4 coolies is kept under the Garden Department at the cost of the Trust Board.

2. But for the acquisition of the one house of Dalavoys family, for which special funds have to be provided, the Trust Board have completed their operations in the Fort, and have closed the estimate for the improvement of Fort.

3. In these circumstances, and in view of the importance of the place, it is desirable that the grounds should vest exclusively in the Garden Department for being dealt with on comprehensive lines. I, therefore, request that you may be so good as to obtain the sanction of Government to formally transfer the whole of the grounds to the Garden Department, due provision being

made in the Budget of that Department for the entertainment of adequate establishment to look after the grounds.

I have the honor to be,

Sir,

Your most obedient servant,

Chairman
